NATIONALLY RECOGNIZED DIGITAL MARKETING AGENCY PATON MARKETING EARNS MORE ACCOLADES FOR WEBSITE DEVELOPMENT AND INTERNET MARKETING

by Peter Nasca

Miami, Florida (PRWEB) November 29, 2015 -- Paton Marketing, one of the nation's foremost website development and search engine optimization (SEO) firms, today announced it has taken top honors in two categories of the Daily Business Review's (DBR) 2015 "Best of Awards." The Miami-based company, with offices in Ft. Lauderdale and New Delhi, India, won in the categories of Best Website Development Company and Best Internet Marketing Company. The firm also won the Daily Business Review's Best of Awards in 2013 for Internet Marketing.

"Clearly, this is a great honor especially considering the many fine firms that were in the competition," said Todd Paton, company founder and president. "I'd like to say this is an overnight success but we have been working diligently for years at perfecting our craft. What I'm most proud of is our amazing staff who

have helped us achieve such great success." Paton Marketing currently manages various digital efforts for more than 80 clients. The company specializes in high-end website development and successful SEO campaigns.

"Dominate your industry has been the mantra of Paton Marketing the day we opened our doors seven years ago," added Paton. "We settle for nothing less for our clients who hold those same goals and objectives. It's a partnership that's working like a finely tuned instrument and we continue to make beautiful music together."
